“ My condolences to the family. It is with great sorrow that I heard the news that Fatima has passed. I worked with Fatima at ASMC for years. She always had a smile, a laugh, and kind words. She was a very diligent worker and she branched out like a limb in learning everything in healthcare that would move her further in her career. She will definitely be missed because of her helping hand. Don't mold them like her anymore. Rest on Fatima, you were loved!!!!
