“ Please accept my sincere condolences on the loss of your loved one. It's so unfair that death has the power to take our loved ones away from us, but the scriptures prove to be a wonderful source of comfort. Jesus made a promise found at John 5:28,29 that "...all those in the memorial tombs will hear his voice and come out..." May this wonderful hope bring a measure of comfort to you and your family during this period of mourning.##imported-begin##S. Sloane##imported-end##

“ My sympathy goes out to the family of Adrienne Davis. Adrienne was a boss and friend to me for 9 years and I will forever be grateful for the opportunity she gave me. Adrienne had a way of taking a person, who didn't have experience, and molding them into an individual who could make major contributions in life. She will be forever missed by so many.##imported-begin##Jo Ann Jagodzinski##imported-end##
