The Legacy of Alicia Green

"To everything there is a season, and a time to every purpose under the heaven:"

Ecclesiastes: 3

A Time to Be Born

On January 18, 1954 in Chicago, Illinois God sent a beautiful baby girl; Alicia Green who would leave a legacy for those touched by her life. Her parents, Ernest Green Sr. and Verna M. "Jones" Green provided her with the nurturing and guidance needed to withstand life's challenges.

A Time to Plant

Alicia accepted Christ as her personal savior at an early age. She received her formal education in the Chicago Illinois Public School System.

A Time to Gather Stones

Alicia was a professional child care provider to so many other children besides her own. There were many that came through her doors for care and she never turned any of them away.

A Time to Love

Alicia was blessed with seven loving children. She adored her children, they were the apple of her eye. She loved spending quality time with her children and grandchildren.

A Time to Laugh

"Our lives are not determined by what happens to us but how we react to

what happens, not by what life brings us but the attitude we bring to life." Alicia enjoyed life to the fullest and was about having a good time and making others happy. She enjoyed family gatherings and playing a good game of cards.

A Time to Sleep

On February 11, 2016 God in His infinite wisdom transitioned Alicia from her earthly home to her eternal home. She will be truly missed by all whom lives she touched.

A Time to Weep

She leaves to cherish her precious memories, her loving children, Andrea (EL) Sharif, Krystine Green, Albert (Verrita) Hill, Chavontae Hill, Tionna Hill; beloved mother, Verna M. Green; Sister, Sharon Green; brothers, Melvin Green and Ernest Green Jr.; and a host of aunts, uncles, cousins, other loving relatives and friends,

She was preceded in death by her father, Ernest Green Sr., son, Michael Green and daughter, Yvonda Hill.

Let us reflect on the good times we had with Alicia
Knowing that she will always be near and dear to our hearts.
