“ To the family.....with my deepest sympathy for your loss. Andre was my coworker, but he was more than a coworker, he was my friend. He was so kind, caring he went out of his way to help the "team". Such a hard worker a tremendous loss to the American Bolt Family. He was such a joy to work with...he would always greet you with that huge smile !  
We enjoyed talking "sports ". My mom has dementia and Andre always encouraged, inspired me to take her to as many Brewer's , Bucks games as I could...he knew my mom "loves her sports"! I know Andre's daughter was his world and he always put family first !  
Such an intelligent, bright young man so many dreams accomplishments.....his memory will live on forever !! My deepest sympathy, Diane
