“Annie Lee Cloyd was the grand mother I never had. My grandmother died when I was 9 years old and Ann raised me since birth. She was always kind and loving to me and my family. She raised me to be the great woman I am today, to have dignity and respect and to raise my children right. She was always there for me no matter what. She helped me in many ways than one, but the best think she gave me was knowledge and wisdom. She was my GO TO person for advice and comfort. She was my SAFE HAVEN. I hate that I couldnt be there with you for the last years of your life but I am glad to know that you are at peace. I LOVE U FOREVER!!!

“ Ann was fisty, a ride or die, she believed in what was right not wrong. Ann had a loving unselfish heart, she would greatly give you her last if you need it. She had an abundance of love inside. I wish yall would not have kept her away from us. Yall knew she loved us but that chapter is over and I just wanted people to know how much she means to me. I will love you Ann until I depart this life but I will leave my love for you so others can grow off of it Much love Ann
