“ Anton, I would have never imagined my life without you. And though I am a firm believer in the saying, "everything happens for a reason." I just don't understand this one.... I can't rap my mind around the fact that i will never see your beautiful heart smiling smile. You were the sweetest most kind man I knew. I hate going to sleep & waking up knowing ill never receive another one of those, "Wake up" texts from you.... I pray every night that this is unreal, but every morning I wake up in tears... I love you Anton you'll forever live within my soul...

“ I am sorry to learn of your loss of Anton. We all need words of comfort and hope when we mourn the loss of someone we love. Jesus Christ states at John 5:28,29 that there will be a resurrecton. God's written word also assures us at Revelation 21:4 that Almighty God will end death and sorrow. May this sincere condolence help you during this difficult time.
