“ When I heard about your passing I couldnt do anything but remember your smile. How you and tobias would dance all through middle school. when you look back at those days you knew that one day you would be something Great. I didnt get a chance to meet you as a man But i hate that you were taken so soon. Yet I know the lord makes no mistakes I hope that you are rapping that gospel and dancing in heaven.##imported-begin##Brandy Bryamt-Gee##imported-end##
