“ *To Armanda's Family*

*I will always have loving memories of Armanda & I precious times spent together; University of Wisconsin Milwaukee undergraduate & Graduate Schools. Armanda will be forever missed by me. She was my mentor, friend, instructor, guide, leader, confidant, motivator, support, loving inspiration, above all she brought laughter to my life when there was none, encouragement when I could not see it. Armanda would be there for me when hope left on the last train. She inspired and directed me to complete my Master of Science Degree in Urban Affairs as well as work in Public Policy.*

*There are so many fun and good memories to share of Armanda & I. However, it would take a life time to share half of them. Briefly, I will share, she told me that you are lucky to have one friend in life and blessed to have two. A miracle to have three. God knows Amanda was one of the best friends that I ever had. She believed in me and she believed in love of family. She often spoke of her love of her family and the joy she felt being around them. I know my Armanda is in a better place with our God but my heart will truly miss Armanda day by day. If I ever felt discouraged, she insisted I read Psalmms 35 & 37 with her. I say thank you to Armanda's family & God for sharing Armanda with me.*
