“ Jim & Geneva, God blessed you with two beautiful children! You raised them well. Thanks for sharing them with us. Now, Artency is expericing a new land, and we"ll join her one day, and what a time! She called me her "Hot Mess," I'll continue to be.  
We know God is in control, we're hurting now,to the point that it seems unbearable, but we continue to trust in God, for he truly knows what's best for us. He will take care of us! God Bless!  
Love always,

“ My Dear Sister and Brother-in-law, in times like these, we have a Savior who knows how we feel and will make these difficult days and months ahead manageable. I know you are already leaning, depending and trusting only Him. You were awesome parents and if Artency could tell you this I know she would. Stay strong! God is only a prayer away. I'm praying.##imported-begin##Josie Brazil##imported-end##

Artency was my dorm mate my senior year in college. She was such a sweet and ambitious person. She was so full of life. We kept in contact through text from time to time until she didnt respond back and I never knew why. I found out about her passing from a friend of ours only months ago. I have been searching and searching to find anyone that can please send me a copy of her obituary. My heart goes out to her family. She loves you very much. If anyone gets this please call me at 9013513840...Liz
