“ *My deepest condolences to the family. It was my pleasure to work with Arthur at WHEDA. Arthur had worked to staff the Mayor and Governor’s Joint Mortgage Taskforce formed to address mortgage redlining. Arthur had a impossible job, find a solution to open the door to Blacks and minorities then locked out of the Milwaukee’s mortgage market. He showed poise and determination when so many was ready to walk away. If the 60’s was a crucible of social equality, in the late 80's Arthur was part of the crucible that open homeownership to Black, minorities and all people who dreamed to own a home. He is one of the silent heroes who contributed to making Milwaukee a better city. He was a dear friend and will be missed.###imported-begin###Wyman Winston###imported-end###*

“ With so much love. You've been such a VERY special friend to me with so much history between us. I know you're already in a good place and God is murmuring 'well done'. It goes without saying that you'll be sorely missed and you'll always be in my thoughts.##imported-begin##Saidah##imported-end##
