“ Just now finding out Avery passed..So heartbreaking....Our prayers and condolences to the family. We had the pleasure of transporting Avery for a few years...We would always joke and laugh together and I remember times where I would pray for him on the way to drop him off to his appointments.We would have deep conversations. He will be greatly missed. So sad that we are just now finding this out...Sending Love and prayers to his family and friends...

Avery, You will truly be missed.
