“ *It's such a horrible feeling to lose a mother at such a young age. I just can't stop thinking about how much I wish you were here physically. Mom I did not expect this to come to an end so soon, although we have to go back where we come from. I love and miss you so much. I just keep praying for strenght everyday. You were my life, my circle, my comfort zone, my everything. Although I have my family we are all trying to stay strong. You were the rock in this family. I'll just keep praying and please keep watching over us. I love you and you are truly missed.##imported-begin##Temika##imported-end##*

“ To my friend Temika, I can't say that I know exactly how you are feeling, but I can image that it is very difficult. I know that you love your mom very much and that you miss her. As you said before she is in a better place and you know she is watching over her family everyday. Use all your memories of her and all the good times you shared to keep you strong.

You have taught me to appreciate my own mother and making sure that she knows I love her everyday. Thank you.

I will keep you and your family in my prayers always. May God continue to bless you. Your friend Andrea###imported-begin###andrea cunningham###imported-end###

“ I'm justing sitting here thinking about you mom. You are truly missed. I am thankful that the Lord has given me the stregnth to find peace and know that you are in a much better place. I thank my mother for guiding me the time that she was here which has making me a strong woman and mother. I just want to say that my mother was a beautiful person. Her grandchildren truly miss her they asked about you often. I have explained to them that you are with God. I never expected that day to come, but I knew that it had to because that is what God chose. “ Mama some time has passed and it still don't seem real to me. I made a memory book for us to look at. I have songs I listen to that remind me of you. I have been reading my bible everyday and that's where I found my comfort. I am happy you are in a better place where you don't have to suffer, worry, or be in pain. You were so concerned about everyone and I will just pray to keep my strenght and that everyone stays strong so that we can make it to heaven as well. I LOVE YOU FOREVER AND ALWAYS AND YOU WILL NEVER BE FORGOTTEN.###imported-begin###Temika###imported-end##
