“ Ms. Wallace,

*I wanted to take this moment to let you know that the LORD blessed your mother with a long happy life. These times are never easy, but the LORD has placed his angels around you so that all your needs can be met. This may not be an easy time for you, but the LORD knows just what you need. He makes no mistakes.*

*My family and I are praying for you and your family. If there is anything that I can do to support you and your family, do not think twice about it. As children of the LORD our purpose is to support each other.*

*May the LORD continue to uplift you and your family in this hour.*

*Mr. Caldwell*
