

Mr. Benjamin David White

January 15, 1954 - October 15, 2025

Benjamin D. White was born in Milwaukee Wisconsin on January 15, 1954 to the union of Napoleon and Frances White. He received his formal education at Boys Tech and graduated with a diploma. He further studied at the University of Texas in Austin. Bennie, as he was affectionately known by family and friends was a man of compassion. He always rooted for the underdog and loved helping the less fortunate or anyone in need. He also had a forgiving heart. Bennie enjoyed listening to music of all genres. He was musically inclined. His instrument of choice was the trumpet. In the earlier years of his life, Bennie, along with his brothers and friends formed a band that his late father would assist in managing. They loved performing and had many jam sessions at their home while also playing events around Milwaukee. In his spare time, Bennie enjoyed listening to music, watching sports on television and keeping up with current political events. He faithfully tuned in to Al Sharpton's radio broadcast "Keeping it Real". He was the family's go-to "Trivia King" and provided us with loads of information. Bennie dealt with many health concerns during his life and fought a good fight. With the help of God, his parents and supportive family members he pressed his way through until the very end. Ben transitioned peacefully on October 15, 2025. Though his physical presence will be missed, his spirit will continue to live on in the lives of those who knew and loved him. Bennie was preceded in death by his father Napoleon White, brothers Lloyd and Gregory White and other close family members and friends. He leaves to mourn his passing his dedicated

and loyal mother Frances White, nieces Eurhonda Nelson (Fred), Jiquay White, great niece A'rhea Patterson-Binniman, great nephew Myles Nelson great-great nephew Mataeus Binniman, and other family members and friends.

“ My thoughts and prayers go to my second mother, Mrs. White. I remember the times I spent at my aunt's house and your boys were there. Or the fact that we lived around the corner from your house when we were growing up. Bennie had a gentle heart and he will be missed. Rest in peace Bennie, you were loved.
