

Ms. Bernice Williams

October 23, 1931 - December 4, 2022

Bernice Edwards-Williams was born on October 23, 1931, to Willie Arthur and Icy Mae Edwards in Parkdale, Arkansas. Bernice was educated within the Sherrill Public School System. She was baptized under the leadership of Rev. Nixon at New Hope AM.E in Sherrill, Arkansas.

In 2017, Bernice was united in holy matrimony with General Williams Jr. (aka Bud), who preceded her in death. Together they raised one child, who they loved immensely, Ophelia Seaphus-McGee, who passed away shortly after Bud in October 2018.

Bernice was a lifelong nurses-aid before retiring. She loved her family with all of her heart. Traveling back to her hometown and making memories was one of her favorite things to do. She was well

known in her community for having many family and friends, near and far.

Bernice's interests included cooking, being a foodie (she loved to try new foods), gardening, watching television (and talking to it),

talking to her family on the phone, putting people out of her house, knowing all the latest gossip, and filling a room with laughter. No one can replace her love or laughter and she will be greatly missed.

Bernice "Bunny" Edwards-Williams was a beloved wife, mother, grandmother, aunt, cousin, and friend.

On December 4, 2022, Bernice rose in the ranks as an angel when the Lord called her home. She was preceded in death by: husband, General Williams Jr.; daughter, Ophelia Seaphus-McGee;

and grandson, Jeffery McGee.

She leaves to cherish her memory: son-in-law, John McGee of Milwaukee, WI; granddaughter, BaShawana McGee-Brown; granddaughter-in-law, Lisa West-McGee; great grandchildren, Janay

Davis, Tiliene, Jamila McGee, Jasira McGee, Brandon, Alexandria, Broderick, and Brayden Brown; great-great grandchildren, Jayden Adams, Jayla and Janelle Pearson, and Alacia Ross, all of Milwaukee,

WI; and a host of nephews, nieces, cousins, and friends who will mourn the loss and cherish the memory of Bernice.

“ *I met Bernie when I started working at Children's Hospital in 1971 as an x-ray tech. Bernie was one of the aids who was such a help to me. She knew all the tricks of the trade. I last visited Bernie this past October when I took her a piece of chocolate cake for her birthday. We sat around and chattered about all the fun times we had over the years at work and at play. She will be missed by many. Love you Bernice, Suzie*
