“ Bert and I met at Harley-Davidson. We worked together for 30 years. He was a hard-working, super-friendly, dedicated family man. I recall how excited he was to walk his daughter down the aisle on her wedding day. Big Bert was fun to see at the H-D retiree picnics, too. There was always a crowd around him to talk with him. I'll miss his laughter, jokes and of course Big Bert. He will be dearly missed.
