“ I will miss my Cuz even though I never met her. I loved seeing pictures of her smiling because it seemed as if that smile filled the whole picture. Her spirit was welcoming and real. I remember her telling me one time that no matter how far down the relationship line of being a first or fourth cousin that it was still family. For me that spoke volumes about her and her love for family. She will be missed. As a remembrance to Bessie if I don't have you on my Facebook page and you're a family member please send me a friend request if I don't know you. Let's keep her love for family alive.

“ *Beloved Family ~*

How GREAT is out GOD!

So deeply moved by the passing of our FAMILY UNIFIER, Mrs. Bessie Chanel Jackson-Curtis.

My "Genghis Khan" - and ALL family members, beloveds & friends - HOLD ON!

This transition is reaching around the Universe.

When Bessie called me and our "Venie" upon the advent of our Family FaceBook Page-

"Family: Moore, Jackson, Stinson, Fulton, Smith also Jones & Reed's" and we became co-administrators; the idea to merge, meld & communicate as a FAMILY ~ came from Chanel.

As I attempt to convey my thoughts have my tears of love & great memories flowing so I will stop here --- leaning to the lyrics of a timely song -

"At your best you are loved - your a POSITIVE motivating force within my life - and if you ever feel the need to wonder why ..."

Chanel - I am LETTING YOU KNOW NOW !!!

We are so gonna miss you and all you ARE in the natural. Praying that your endurance, your inspiration and your smile will continue to motivate and keep us in the years ahead.

“ A true friend you were. I keep going back to 9th grade. You checked this boy for calling me black. After you checked him, you look at me and said black is beautiful. Thank you for making me feel good about myself. I only wish we could have have lunch 2 weeks ago when you inbox me. I always enjoyed the prayers that we had on the phone. Thank you for trusting me with your personal life issues. You will be missed, I love you Chanell.
