“ *Dear Betty,
Because we lived so far apart, we didn't have A lot of time together.
But the time we spent together was very special. You brought joy
into my life when you kept me laughing all the tme on phone. I am
going to miss you so very much.

“ *Aunt Betty, I remember the times when you came to visit. It was
special for me to have you here and I enjoyed talking with you. You
gave me words of encouragement which really lifted my spirits.
Even though we haven't spoken a whole lot, I'll miss the thought of
you not being there. Love your niece Carmella##imported-
