“ My condolences to your family. I've been doing research lately and found that this may be the Beverly that I remember growing up when I was young. She was vibrant. If I am on the right track, she had a son Donnie and a daughter Paula, our family loved them all dearly. I couldn't find an obituary. She was always so bubbly and she was so beautiful in my memories.

“ "God hath not promised skies always blue, flower strewn pathways all our lives through.
God did not promise that we shall not know, toil, temptation, trouble and woe. God did not promise that we shall not bear, many a burden, many a care.
But God hath promised strength for the day, rest from our labour, light on the way, grace for the trials, help from above, unfailing sympathy and undying love."

Praying for you and your family, Telisa! See you soon at the GMWA.##imported-begin##Varia Val A. Haynie##imported-end##
