“ To my family: I send my condolences and I want you all to know that I love you all very much. I just thank God for the amount of time I did get to spend with my Aunt Beverly when I came up last time. She really went out fo her way to make my family and I feel special at a time that I realize was difficult.

I will never forget my aunt and I am especially proud to know that I was named after her. Love Beverly Joann.##imported-begin##Beverly Marshall##imported-end##

“ First, giving all honor and praises to God who is the head of our lives. We, the Marshall family just want to send out our blessings to the Moses family in this time of bereavement. Our first time meeting Aunt belle was in 2004. When she invited us into her home she made us feel welcome. It seemed like we had known her forever. The time that we had with her wasnt long, but a big part of her will allways be in our heart.##imported-begin##Rhani Green##imported-end##

“ *There are never words that can adequately express the depth of my sympathy.*

I pray that your fond and loving memories of Beverly sustain all of her family, friends and loved ones during this most difficult time.

Cancer is such a brutal disease. So, I have found that it is sometimes easier to carry your loved one in your heart rather than on your shoulders. With that in mind, God bless you, God keep you and God loves you.##imported-begin##Ophelia Williams##imported-end##
