“ *The first time I met Bill was years ago at one of my cousin in law home. Me and my husband, Bill's cousin was sitting at the table and Bill started telling jokes, he was extremely funny and talking about anyone who was in his sight. Me and Bill grew very close, we would call each other at least twice a week or hang out in the yard on weekends, we loved sharing conversations and laughter, listening to the Blues outside, I will miss our gatherings and laughter, but I will always have a special place in my heart for him. ❤️*
