“ Ms. Birdie and I met at MATC while pursuing our paralegal certificate. We connected on the first day of class seeking each other out due to being some of the more senior students in the class and became desk mates, study buddies, and most of all friends. We supported each other throughout the semester making sure to keep our spirits up as well as our grades. I will truly miss our conversations and miss not saying "see you later." Rest in peace my friend. Donna L. Anderson (former MATC classmate)
