“ Deacon Felder touched the heart of everyone who knew him. He always had a kind word say, a big hug to give. I will truly miss him, my heart is sad and happy at the same time. Sad that he's gone, and happy that he made it over. We will see him again. Bobby let his light shine for all to see. He expressed love to everyone he came in contact with. We know "to be absent from the body is to be present with the Lord" Sleep on Dea we love you.##imported-begin##Rochelle Wortham##imported-end##

“ Bobby Felder is our humanity, he gave out "Big" bear hugs from the smallest to the largest of us. He delighted in saying " I love you and their is nothing you can do about it", we celebrate his life and the time we had to spend with him. We thank our Lord and Savior for the time we spent in the presence of Bobby Earl Felder, Sr. God bless his family, and ease the pain we all feel of his traveling on to his reward.

Bobby lived life in the middle of what was alive, marching with Father Groppi, establishing youth jobs, working for better union job relationships, caring for his city and the people of his city, all these thing made up the life of Bobby Felder and we celebrate that life.##imported-begin##Paul Hull##imported-end##
