LOVE NOTES

My Dad was somebody I could always trust. He kept my secrets and always knew where I was coming from. He will forever be in my heart.

SHAKIRA

I love and miss you a lot Daddy.

RENEE

I will forever miss and love you daddy.

BRIAN

My Daddy, my heart, my O.G. Where do I start? How can I go on without you? Every since I was a kid you were my left hand. Wherever you went, "Rockhead" went. My Mom use to think sending me with you was a punishment. I use to get in trouble just to be under him. My O.G. knew what was best for his girls. He never guided me wrong. I need you with me every day. I know you are watching over me. I Love You.
