

## Mr. Bradley Harris

May 26, 1958 - April 18, 2019

Bradley Harris, known as Brad, Uncle Brad and Mr. Harris was born on May 26, 1958 in Milwaukee, Wisconsin, to the union of Webster and Betty Harris. Bradley received his formal education in the Milwaukee Public Schools and he graduated from Lincoln High School. He furthered his education to become a certified Medical Assistant.

He accepted Jesus Christ at an early age while attending St. Mark A.M.E. Church under the leadership of the late Reverend Lovell Johnson. Bradley knew he was called to be a servant of God's people. He loved helping others in their time of need.

Bradley was employed by Milwaukee Public Schools for many years as a safety aide. Although he did not have any biological children, he loved youth and would do anything to help them become successful. After he retired from MPS he worked for AGAPE Supportive Living Services with the elderly.

Bradley

was known for having a great sense of humor, a big heart and he was the life of the party at every family gathering.

Bradley loved cooking and spending time with his family. He loved spending time with his mother, helping her with miscellaneous activities in and outside of her home. He was always available to help others, whenever called upon. In his leisure he enjoyed watching movies and playing games on his cell phone.

Bradley was preceded in death by his Father, Webster Harris; Sister, Beverly

Boyd; Brother, Mitchell Boyd and Nephew, Deshon Boyd.

He leaves to cherish his memory: Mother, Betty Harris; two brothers, Anthony (Delores) Boyd, Mark (Sybil) Harris; three sisters, Lisa Harris, Denise (Perry) Washington, Tonya (Dennis) Lawrence, All of Milwaukee, WI; nieces and nephews, Jermaine (Venturia) Boyd, his special neice, Jamila Boyd, Natiaya (Terance) Beamon, Marquis (Keywanna) Harris, Namiaya Boyd, Myrien (Melissa) Harris, Nyra Boyd, Shaniqua Berry, Ashley Kimbrough, Perry Washington, II, Jazmyn Wendt-Harris and Donovan Washington; a host of great nieces and nephews; aunts; cousins and friends.

*To the family of Bradley; you have my deepest sympathy. Bradley was a student of mine at Everest College. He was a very special person with a yearning to become a Ambassador. He set a good example for his co-students. Rest In Peace my dear Bradley! Ms Kathy*
