“ *Sending all my love to everyone in the Hinton family. My family, the Falson's cry with all of you on the untimely death of Brandon. I wish I were a poet at this time so that I, we could develop the words to ease y/our pain at this senseless loss, I unfortunately am not. Know that we grieve with you and hold each one of you in our prayers for healing grace and peace.*

“ *I can't undo the memory of that little Boy, walking with his dog, Poncho, down 25th street! I'm looking out of my window, thinking how cute it was, and he was like a little Man! You just sensed there was something special about Him, cause he stood out, once you saw him, you couldn't unsee Him, you just wondered, "Who is that little adult like Kid?" Everyone knew, loved and looked out for him! How could they not, he just rubbed off on you like that! My prayers, condolences, and love to all!*
