

## Ms. Brandy Meshell Cosey

March 19, 1981 - September 4, 2025

Brandy Meshell Cosey was born on March 19, 1981, in Milwaukee, Wisconsin, to Christine Cosey and the late Earl Cosey. Brandy was a loving and devoted sibling to her brothers and sisters, always bringing joy, laughter, and a strong bond of family connections that will forever be remembered. She is now warmly welcomed into Heaven's gates by her father Earl Cosey.

Brandy received her early education through the Milwaukee Public School System, where she built the foundation for her future. She later went on to dedicate her life's work to caring for others, serving with compassion and pride as an employee of Garden Place Assisted Living and later at The Cameo Care Center. Her natural kindness and helping spirit touched many lives, leaving a lasting impression on those she cared for.

Brandy's greatest joy in life was being a mother. She was the proud and devoted mother of R'shalay Alexiah Alexander (Moonie), and Charles Edward Earl Daniels III (Tre), who were truly the lights of her life. Every decision she made and every step she took reflected her deep love and commitment to them. Later, her heart grew even fuller when she became a grandmother to her precious granddaughter, Ariae Renee Meshell Ramsey (affectionately called Sugga Momma), whom she adored beyond measure.

Brandy was a cherished sister to Montrell, Lil Earl, Crystal , Jyzmyns, Tierra, Evan, Montae, and Ericka who loved her dearly. Her bond with her sister Crystal was one of a kind-so close they were lovingly known as "BrandyCrystal," rarely seen apart.
