“ Bruce was always a pleasure to help whenever he came into the Morgan yard. Always a smile and easy to talk to. He made friends easily with his great attitude. Bruce will truly be missed by all at Morgan and the entire Bliffert Family. May GOD have him at HIS side in Heaven. He was truly one of the "good ones".

“ hello, i am a carpenter with James Allen Builders. my boss had informed me that Bruce had passed. I think everyone was shocked. I did not know Bruce as well as i would have liked to. but when I was on a rough and having a bad day, one of the best things was to see the lumber truck turn the corner and see Bruce and his big smile. he always had something funny to say and a great story to tell. No matter the day or the weather always polite, and would do anything to get the job done. rest in peace Bruce, and my condolences to his family

“ Hi, I'm a carpenter that frequently interacted with Bruce, I didn't know him very well, but whenever he delivered to a job I was on I was happy to see him as I knew we'd have a nice little conversation about random life stuff. He always had a smile on his face and we always had good conversation. He never had an attitude and was always helpful. It makes me sad to think I won't see him on jobs anymore. Rest in peace my friend.

“ Hello,
I was inform by Dean at Bliffert Lumber that Bruce had pass last Tuesday.
I am a General Contractor/Carpenter who knew Bruce as a delivery driver for Bliffert Lumber when he dropped lumber at our jobs when I was on site framing. We always had some nice conversations whenever he delivered. I did not know him well but always enjoyed the talks we had and wanted to extend my condolences.
He will be missed and I will be thinking of him when we get delivery's.
in the future. My crew and my sons also want to send our sadness at his loss. He was one of the good guys and I really like him
