“ *I had the pleasure of meeting and knowing Carl. He will be missed, he was a very nice person I don't want to believe this, but the saying is God know every hair on your head. He know when he is going to call you home. He has served his time here. He is going to be missed. I'm praying for the family and friends. God Blessing you and keep you. When you are sad remember the good times you will see him again. The Lord is our Shepard.*

“ Sending prayers, love, hugs, and condolences to the ENTIRE FAMILY. This is a HARD one! Carl was my friend for 11yrs. I met him as a taxi passenger! We automatically clicked! He would get on me about some of the bad choices I made with guys. He always told me I deserved better! He was like a second father to me. One year he gave my boys fidget spinners, and they were so happy! Carl touched so many people in the community! I have so many good memories. My boyfriend even broke down at work when he heard the news, and made a song for me! I WILL NEVER forget CARL! I cry Everytime I think about the fact that his children and loved ones have to live without him!! He was so proud of the twins, he stayed bragging about all his kids. Please family be strong, and know this too shall pass in JESUS ALMIGHTY NAME! AMEN. Glory to GOD for allowing me to cross paths with such a caring human being!
Sincerely, Nakisha
