“ To the family of Carolyn, she was a very nice person and I always enjoyed being in her present. May God be with all of her family in this time of bereavement. When feeling down remember and meditate on this scripture. Proverbs 3:5&6- "Trust in the Lord with all thine heart and lean not to thine own understanding in all thy ways acknowledge Him and He shall direct your path." Think about the good times and memories you had with her in her life. I know it will make you smile just as she always gave the world a smile.##imported-begin##Mr & Mrs Thurman & Rosetta Weare##imported-end##

“ To Kathy, and all of Carol's family, and to dear friend Sandy Flack, To say I was shocked and saddened to learn of Carol's death, doesn't come close to the feelings I have by this news.

*Carol was amazing. She was so wonderful to me and I adored her. We met years ago at Northwestern in the New Business department, and then again, when she hired me to be a part of Life Benefits. Carol always believed in me, and I in her. Through trials and tribulations we both shared over the years, Carol was always there for me, and was genuinely interested in other's lives and did anything she could to help others.*

*I will miss the laughs and those deep conversations when she was at NM, and even the hope she brought me when I was down due to events in my life at the time. Somehow we still found a way to use sarcasm or goofiness to overcome any hard times...*

*I will never forget her, I will always be grateful to her and will keep her smile, her laugh and our memories close to my heart.*

*May God bless you Carol, and may all who mourn her find peace and comfort by the memories you hold. Carol may not be on earth with us, but the love she has for all of you, will still be with you, guaranteed.##imported-begin##Tracy Wunrow##imported-end##*
