“ I have been reflecting, and thinking of how I was going to accept my BEST FRIEND, is now in heaven. I have been so hurt and very lost along the way. I understand GOD's will be done. Carolyn, was the balance that so many relied on. Her memory, will last always. She met no stranger and was always willing to give advice. Our lives will never be the same but, her presence will always be with us. My daughter, Amari, only had a short time with her God Mother, but, you would think it was a life time. She instilled confidence and self worth in her and for that I am always grateful. Carolyn's love of fashion, has been passed down to Amari! All who had the pleasure of knowing her, knew she was direct and didn't bite her tongue. We love you always. I already know she's in heaven running things! Until our path's cross again. Lisa Black.

“ My Aunt Carolyn was a wonderful and loving Woman and a very corageous spirit. I miss her so much until my life isnt complete. It has been almost 6 months since her death and somehow i have not learned to deal with it. This death is the far by worst death i have ever endured. My Aunt Carolyn was so so so dear to me. We shared alot of things together and alot of disagreements. Trust to know Carolyn was to disagree in all aspects of good and bad. I wish i could have her back everyday just to sit with me and talk with me. I know Carolyn you watch over me everyday because i see your presence and touch. I know everything will be okay because you told me so. I want you to know alot has changed since you have been gone lots. Your family has changed in so many ways. I guess your right death brings out the bad in all forms and fashion. I visited you on Friday just to say hello and most of all to tell you I Love you. I think of you every day and take a piece of you were ever i go because you are loved so much by ME!!! Rest on and let God continue his journey with you i know I WILL SEE YOU AGAIN IN ETERNAL PEACE. “ What moves through us is a silence,a quiet sadness,a longing for one more day, one more word,one more touch,we may not understand why you left this earth so soon,or why you left before we were ready to say good-bye,but little by little,we begin to remember not just that you died,but that you lived.And that your life gave us memories too beautiful to forget.May your memories give you strength during this difficult time. With love Kenneth,Shirley Williams and family.##imported-begin##Kenneth,Shirley Williams##imported-end##
