“ Today is the first Father's Day I have no father here with me. I had a dream a few weeks ago of seeing my dad. I told him I missed him and said I missed you to son. My dad was very funny and liked to rib if you weren't on point... Cool and laid back. He had a huge giving heart almost to a fault... If there were one thing he could say to all of you, including me it would be get saved! He got very serious about being saved. He helped guide his mother back to Christ. He did his Father's will. He gave direction for the rest of the family to return to church. Cesley Wright Sr. Was the head of this big family and he passed... Many years later my dad Cesley Wright Jr. a guilding became member of the family and he's now passed. I am Cesley Wright 3rd and have a son Cesley Wright 4th. Let us turn from wear we've been to face wear we need to be. Our long term gold, Heaven. Our short term gold, Heaven. We need to get there by all means without fail. Hell is no option. ##imported-begin##Cesley Wright 3rd##imported-end##
