“ Chuck Rhodes family:
I just wanted to let you know how sorry and shocked I was to hear of Chucks passing. I worked with Chuck through I/M Solutions and was truly blessed to know him. He was a true professional and had a wealth of knowledge. More importantly I was always impressed with Chucks welcoming smile and his love of family. We shared many fond memories with each other on occasion and you, his family, were always his first concern and priority. May the Lord continue to bless you through this difficult time.

Our hearts go out to the family in these difficult times. We will remeber Chuck and memorialize him during our upcoming Forum at the Grand Geneva. “ The joy that he brought to LaRhonda and Desmond's life. Beating him at Taboo, but he was a great sport! Such a gentle spirit, and although I only knew him briefly, I am glad to have known him. ##imported-begin##Angela Spearman##imported-end##
