“ Charles and I go back to the 1950's on Columbia playground. I gave him the nickname of "Hub-A-Do"! We often laughed about that nickname over the decades. We attended Rufus King H.S. together and many times at his home until he moved to ATL. Reconnected with Carles just two months ago on FB. He was always a great friend and companion. You were missed after your move and will certainly be missed in your new journey. As unpredictable as this existence is perhaps we'll meet again in another time and place. May your spirit travel to a greater existence, I know you'll never rest as it wasn't in your nature.
Much Love my brother!

“ Sending prayers and condolences 🙏 to Ms Connie and family. Someone that I had a pleasure of working for, some years ago. Connie n Charles were such a team they both received me with open arms. I can't even phantom what this all means, but God knows best. Family keep the Faith, for heaven needed a strong angel and open the gates for Charles, he will definitely be greatly missed. Love always to the entire Hubbard family.

“ I have known Charles since I was 9 years old living off 11th & Burleigh, so to say he is a part of my life is an understatement. His loss is beyond words. To Connie, Cherie and the Hubbard family, I pray God wraps his arms around you and give you strength and comfort for the years ahead. Be comforted to know Charles was loved and respected by those who knew him.
