“ To the bereaved friends and family at this most difficult time. Many who have loss loved ones, ask "How Can I Live With My Grief?" The answer is, do not underestimate the value of prayer. You can have confidence in the strength that our loving heavenly Father, Jehovah God supplies by prayerfully relying on him and his beloved Son, Jesus Christ. In his own due time, he will bring a end to all causes of death, then as stated at Revelation 21:4 "death will be no more."##imported-begin##A. B. Long##imported-end##
