“ I just found out about Claude Motley's passing. I was his Program Director at WCLK-FM from 1990-92. He was one of the best radio announcers I ever heard. May he rest in peace.

*I never met Claude, but I listened to him every opportunity. I have to agree with Eugene Holley, Jr., His choices in music were the tops, and as announcer he was always worth listening to. In fact, that's how I found out about his passing, trying to see if he was doing his music anywhere. The world is less than it was. I am sorry, so sorry, for you all, and for myself as well. May God bless and keep you all.*
