“ *To our beloved Williams Family,*

Our love is with you at this time and we share your sorrow. Your beloved Father will be sorely missed. We pray that you will be comforted by the rod and staff of Jesus Christ our Lord. We also pray that He will give you His perfect peace now and His wonderful joy in the morning.

Be confident in knowing that we are here if you need us.##imported-begin##Hinkle Family##imported-end##

“ *Brother Williams and Sister Dawn, I always keep you both in my thoughts and prayers. May God meet you right where you are at, and may the holy spirit bring you comfort, peace and rest during your time of bereavement and each and everyday.*

I wanted to come visit, but I am there in spirit. I will miss your Dad too.

Blessed are the pure at heart' for they shall see God. Matthew 5:8

Take care, and know you can always call for anything.##imported-begin##Carolyn Gibert##imported-end##
