“ Aunt Ginny, you were always sweet as pie. I can remember as a little girl I'd pretend to fall asleep at the kitchen table when it was time to go home, just so I could spend the night with you and Squirrel; and even when my parents said no not this time, you'd always say.. awww let that baby stay, and before I knew it I had spent the entire summer at your house.

Thank you for always being so loving, allowing me to prance and dance thru the house being your lil worm as you'd call me and cherishing me just as I cherished you. I love you Aunt Ginny, and I'll miss you always.

“ There are no words. My lips could not express enough words to say how beautiful of a spirit she shared with us all. Easily one of sweetest and most loving people that our family has been blessed with. Aunt Ginny always knew the right things to say at the most appropriate moment. I will miss you dearly, but you have left me with memories that I will forever carry in my heart.##imported-begin##Crystal##imported-end##
