“ I had the pleasure of working with Cynthia at the Black Health Coalition of Wisconsin. She worked with the HIV Project and I worked with The Healthy Beginnings Program as the Project Director. She was so kind and a beautiful person as we would see each other in the office on a daily basis. Rest in peace Cynthia and I know you're in a better place. My Deepest Condolences to your lovely family and friends. May God bless them and keep them as I keep you all in prayer.
