“ i Love Her So Much. When i Found Out That She Passed Away I Was Like OMG. Why, Why Her. I Was Still Kind of am So Shocked i Could'nt Believe it i Thought That the next day we would just see each other in school. Then People kept on telling me to get over it and i was like i'll never over it i'll just learn to live with it. But i Miss, Love, And Pray for you. You Will Always be in our hearts. You Will Never Be forgotten

Every time some body says your name or shows me a picture of you i want to break down in tears. When we first came to school that monday people was sayin your not dead you are dead making up stories and stuff then they sent a email to the teachers that said you were. I just couldnt believe it . “ I Remember Daija And Me Used to Make Up little Cheers Or Dances. She Always Loved To Dance And Act Goofy. She Also Gave Me The Nickname I Go By Now, Which Is Tink, Because She Laughed Somewhat Like Pooh Bear so We Called Her Pooh And I Was Tink. That is What I Mostly Loved About Her. She Was Like A Best Friend And We Was Very Close Like Sisters. That's Why I Could Never Let Daija Go. She will Always Be My Sister, Best Friend, And Much More. I Love You Daija Galmore.
