“ *Man I can't believe your gone! I'm just now finding out through a
friend! A whole year later! I wish we would have stayed in contact
with each other! I still remember meeting you when we were little
kids in high school. You were at juneteenth and I was walking up the
street leaving. It's so crazy because my mom was just talking about
how you were one of her favorites! I'm going to really miss you!
Thanks for teaching me at a young age that I should always wipe off
my shoes and keep them clean! Lol! RIP old friend ! ##imported-

“ I do a Community Partnership at the Downtown Health Center in pediatrics, and I remember seeing Dale in and out of the elevators, cleaning, and minding his own business. I never knew his name; just as the "Handsome Janitor Guy". Haha. We shared a few hello's here and there, and I spoke to him just last Wednesday. I actually was wondering where he was on Friday when I noticed there was no constant elevator hopping, but nobody seemed to know. I'm still in such shock at how recently that was. I was looking forward to getting to know him and even planned on inviting him to my 23rd birthday party in a few weeks. Unfortunately, I didn't get an opportunity to. On behalf of the Children's Hospital of WI pediatrics clinic staff, we would like to send condolences to the family. It's a tragedy and life is much too short to waste. > > > Dale, I didn't get a chance to know you here on earth, but in Heaven, there's always a possibility our paths could cross again someday. May God watch over you, and bless you and your family.##imported-begin##Octavia##imported-end##
