“ I had the pleasure in working with Damon for many years. I was his partner everyday for about 5 years! I learned a lot from him. He was like a big brother to me, and all though we were very different, we found ourselves having so much in common. I am so glad that I knew him and developed a great friendship with him. Damon will never ever be forgotten! I wish the very best for his family. Especially his beautiful daughter. Thanks for everything Damon!
