“ I never played any organized football in my life until my freshman year at Madison High School... Guess who was my coach, Mr. Davis. He was a huge man and taught me everything I needed to succeed. Our first game we didn't score the 1st half and I wanted to run the ball so he said fullback trap every play till we scored. That lesson of never give up and keep at it has stuck with me for life. Mr. Davis will be forever missed by many and loved by many more. He was a blessing in so many lives and so grateful he was a part of mine. Rest in Peace, Coach.

What a legacy! I was honored to receive the Mark Maddox Award during my time playing football for Madison. As a freshman on varsity, I hit a breaking point with Coach Mack and decided to quit—it was the first time I'd ever quit anything. But Coach Davis wasn't having it. He refused to accept my resignation and told me to be back on the field the next day, lol. Playing sports not only kept me out of trouble but also laid the foundation for a successful and fulfilling life. It's a testament to the compounding power of impact. Rest well, Coach Davis. Job well done!

“ *Mr Davis was a freshman football coach and my golf coach for three years, his passion for golf and coaching was so evident to anyone around. He would make us clubs, practice with us and challenge us on the course. He was a great ambassador for the sport and a great man to emulate. He will truly be missed, I'm just glad that I had the opportunity to know him!!!*

“ *Having gotten to know Mr. Davis was an honor. He was a very caring and loving man. Although I never had him as a teacher or coach I will forever remember him for winter rides to school. He would see my brother and I making our way to school off of 77th & Mill Rd and pick us up in his Gremlin with rust on the bottom of the back seat. His memory and love will never be forgotten. God bless his soul and family. With much love. Judy Schlehlein-Morgan*

“ My golf coach for 3 years. Nicest person that you could meet. He talked you listened. One time we got pulled over in his car going to a tournament and he knew the cop! lol no ticket and he took us all to breakfast and paid! His love for golf was unbelievable. I haven't met anyone close to that since. He was the only person that I've seen carry the water on 18 at Dretzka (used to hole #9) back in the day. R.I.P. Mr. Davis you were my favorite!
