“ To the Family of David Lee Burrell:

David was a great brother-in-law to me and my late wife Gloria. He had a generous heart and good sense of humor. He helped so many people over the years at his auto repair shop. To Cynthia, thank you for sharing David to our families. He will be deeply missed by so many. Going to miss our talks brother-in-law. Rest Peacefully!

*With My Sincere Condolences,

“ *To my Big Brother David Lee family:
My prayers are with you always and deepest condolences. I going to miss my phone call and conversations with my brother. He shared a lot his life experience with and I'm grateful for him being in my life. He always made feel welcome and talked straight. I mostly enjoyed our conversation about down home and growing up in Alabama. He'll always be treasured and loved. Peace and glory forever my brother. Love your brother Neal Sanders
