“ Just saw David's obituary and I am beyond sad. I didn't know he passed. He was my first boyfriend, we met at Steuben Jr. High and dated through high school. My family adored him. I have nothing but fond memories of David. We went to 9th grade prom together. I fondly recall being at his home meeting his family who were so kind. His infectious laugh, his sense of humor and his charm I will remember most. Everyone liked David! My deepest sympathies to his family.
