“ We at Home Is Where The Heart Is Ministry feel your lost of Big Dave, we know your burden, but you need to know that there is life after death. It says in 2 Corinthians 5:8, Absent from the body, present with the Lord. The Bible is simply saying when you no longer reside here on earth, you are now in heavenly places with the Lord. So hold on and trust in the Lord in whatever you do, put Him first in your life.

Sincerely,
