“ I will miss Debra very much. I always loved her care free Attitude. She would get straight to the point. I always could confide in her. I never minded doing anything for her. She was the one who encouraged me to continue dating my now husband. When her sister Theresa faded out of my life, she moved right in. she was, I can say, the only friend I could tell something to and know that I would not hear again. We spoke on the stupid things we did and the how we allowed those using men to come into our lives and disrupt it. We spoke on the Word and God and Jesus Christ. How He can and will move in our lives, if we surrender to Him. Very intelligent woman. She will surely be missed and was truly loved. Goldie

“ Our Creator Cares About You
During this time of great sorrow, may it comfort you to know that others are deeply touched by your loss. I too know the pain of losing someone dear. Even though our hearts are broken, rest assured that our Grand Creator cares about you personally 1Peter5:7 while YOU throw all YOUR anxiety upon him, because he cares for YOU and can help you through this difficult time.
Revelation 21:4 speaks of a time soon when God will do away with death forever. There will be no more sorrow, heartache, or pain. May your happy memories and sure scriptural hope comfort your hearts during this painful time.
