“ I first met Dedrick on the basketball courts in Milwaukee ,then came to know him as a friend during the time when we both attended Calvary Baptist Church. He displayed his skills in assisting with our Christian league youth basketball team. I was surprised at hearing the news of this loss. Very thankful for knowing him as a good friend.

“ Wow, where do I begin. I guess it all began a bit over 26 years ago when we found out we were pregnant with twins. While we were not together, we were forever connected by our babies. You and your family has and will forever be a part of my life. It pray that you were proud of the way that I have raised your babies and that although from a distance most times, they loved you. Until we meet again on the other side, I will keep a light lit for you for our children. Blessings!!
