“ *I love and miss you little sis.*

You are no longer bound in the body that restrained and imprisoned you for so long, you are finally free, you are finally at peace, you can finally spread your wings and fly...

You have run the race and have finished, rest now in the arms of our Father :

I miss you so much but I know that it is not a "good bye" that we say, it is only a "see you later & see you soon."

My prayer is that we honor your memory by clinging to the Almighty Father no matter what storms come our way!!!

Love you!!!

“ Donna please know that we are praying for you and your family during this difficult time. You are not alone, God never leaves us or forsakes us. This side of heaven we will never understand, but trust that He has the perfect plan and Delica now has a perfect body.

Please let us know if we can help in anyway. We love you.

“ Delica Louise, as I loved to call her, was a young lady that touched my heart though I knew her such a short time, not nearly enough time.

She's now at her permanent residence walking with our Savior. Thank you Lord for sharing Delica Louise with us, even if only a short while.##imported-begin##KC##imported-end##
