I am deeply saddened that you have gone on, but my heart is filled with joy remembering that big smile and that laugh. I will always keep Crystal in my heart and prayers. Rest assure we got her, like my Lord has you. Now you do you in heaven. Because I know you got the Angel's smiling. Love you cousin always have and always will. “ Dear Dennis (Bubble)  
I have so many fond memories of you .The one that I think of often is the day you cooked me the best pot of Ox tails , while I was visiting the family in Milwaukee. That was so sweet of you .To this day whenever I cooked Ox tails I think of you , (But yours taste better.😊). I will miss you , but I know you are with our Heavenly Father who loves you so much. No more pain no more suffering. Just peace and sweet rest . Take care and much love until we meet again.
